**(d) Election of Director.**

On March 14, 2013, the board of directors (the “Board”) of Gevo, Inc. (the “Company”) approved the appointment of Samir Kaul to the Board as a Class II director, with a current term that will expire at the annual meeting of stockholders to be held in 2015. Upon his appointment to the Board, Mr. Kaul received an initial equity grant valued at \$125,000, half of which will be paid by the issuance of an option to purchase shares of the Company’s common stock and half of which will be paid in restricted shares of the Company’s common stock. Such awards were granted subject to approval by the Company’s stockholders at the 2013 annual meeting of an increase in the number of shares of common stock available for issuance under the Company’s 2010 Stock Incentive Plan (the “2010 Plan”). The option will not be exercisable and no restricted shares will be delivered to Mr. Kaul unless the Company’s stockholders approve the amendment to the 2010 Plan described above. The awards are governed by the terms of the 2010 Plan, and will vest in equal monthly installments over a period of three years from the grant date, subject to approval of the amendment described above. Mr. Kaul will also be eligible to receive annual grants of restricted shares and stock options, and other compensation consistent with the Company’s compensation policy for his service as a non-employee director, as specified from time to time by the Board. Mr. Kaul will also enter into the Company’s form of indemnification agreement for directors. Copies of the Company’s form of restricted stock award agreement, form of stock option award agreement and form of indemnification agreement are attached as exhibits to this Current Report on Form 8-K and are incorporated herein by reference.

Mr. Kaul brings to the Board significant experience in clean technology companies and insight into the development and management of startup companies from the early to commercial stages. Mr. Kaul currently serves as a General Partner at Khosla Ventures, a venture capital firm with a substantial focus on clean technologies. Previously, Mr. Kaul was a member of Flagship Ventures and worked at The Institute for Genomic Research. Mr. Kaul currently serves on the board of directors of KiOR, Inc., as well as the boards of directors of several private companies, and he previously served on the board of directors of Amyris, Inc. Mr. Kaul received a B.S. in Biology from the University of Michigan, an M.S. in Biochemistry from the University of Maryland and an M.B.A. from Harvard Business School.
