Gevo Adds William H. Baum to Board of Directors

ENGLEWOOD, Colo., January 19, 2016 (GLOBE NEWSWIRE) — Gevo, Inc. (Nasdaq:GEVO) announced today the appointment of William H. Baum to the Board of Directors of Gevo, Inc. (“Gevo”). Mr. Baum has worked in the chemical and biobased products and technology industries during his career, with a focus on business development and strategic alliances. He has worked in renewable fuels and chemicals for the past 18 years with Verenum Corporation, Diversa Corporation and Genomatica, Inc. Earlier in his career, Mr. Baum worked in the chemical industry with International Specialty Products, Inc. and Betz Laboratories, Inc. Mr. Baum currently serves as a member of the Board of Directors of Genomatica and previously served as Executive Chairman of the Board of Genomatica.

“I am very pleased to announce Bill’s appointment to the board,” said Dr. Patrick Gruber, Gevo’s Chief Executive Officer. “Bill has great relationships with major players in the chemicals and fuels industry. He brings significant expertise in the areas of chemicals, strategic alliances, M&A, and biobased products that is highly relevant to Gevo as we continue the commercialization of our isobutanol and related products.”

About Gevo

Gevo is a leading renewable technology, chemical products, and next generation biofuels company. Gevo has developed proprietary technology that uses a combination of synthetic biology, metabolic engineering, chemistry and chemical engineering to focus primarily on the production of isobutanol, as well as related products from renewable feedstocks. Gevo’s strategy is to commercialize biobased alternatives to petroleum-based products to allow for the optimization of fermentation facilities’ assets, with the ultimate goal of maximizing cash flows from the operation of those assets. Gevo produces isobutanol, ethanol and high-value animal feed at its fermentation plant in Luverne, Minn. Gevo has also developed technology to produce hydrocarbon products from renewable alcohols. Gevo currently operates a biorefinery in Silsbee, Texas, in collaboration with South Hampton Resources Inc., to produce renewable jet fuel, octane, and ingredients for plastics like polyester. Gevo has a marquee list of partners including The Coca-Cola Company, Toray Industries Inc. and Total SA, among others. Gevo is committed to a sustainable bio-based economy that meets society’s needs for plentiful food and clean air and water.
